

Further Studies Counselling

LOCAL

Local JUPAS admissions support and guidance are core components of the centre's work, which have included:

- CV / Interview Workshops
- University Admissions Talks (e.g. HKU, CUHK)
- University and Faculty Visits
- Mock Interviews

CUHK Medical Centre Visit

Sportsman

We place emphasis on guiding our sportsmen in pursuing further local or overseas education through:

- Counselling and guidance sessions
- Briefings on admissions requirements
- Application for sports scholarships

GREATER CHINA

The CFC aims to organise events to expose students to new studying opportunities found in Greater China, such as:

- Exchange tours with secondary schools
- Visits to notable universities in the area
- University Admissions Talks (e.g. Peking University, Tsinghua University)

Other Regions & Non-JUPAS

The CFC provides support for students applying to other overseas universities, as well as assisting IB students who are applying to local universities via the Non-JUPAS route.

CENTRE FOR FURTHER STUDIES & CAREERS

🌐 www.furtherstudies.dbs.edu.hk

✉ furtherstudies@dbs.edu.hk

☎ +852 2769 7582

The Centre for Further Studies and Careers (CFC) aims to provide DBS students with information, guidance and assistance in their further studies and career development.

Additionally, the CFC provides holistic life planning and career guidance to our boys throughout their secondary education including workshops, talks, mock interviews and counselling services to support students in making informed decisions about their further education.

Our centre is located on the 2nd floor of the Main Building at DBS. Students and parents can make an appointment with our counsellors. Walk-ins are also welcome during working hours. Please browse our website for further details.

OVERSEAS

Our full-time overseas counsellors provide both individual and holistic counselling services for students wishing to pursue tertiary education opportunities abroad.

United Kingdom

The UK has always been one of the top overseas choices for our graduating students. We dedicate plenty of resources to assist students wishing to study in the UK, for instance:

- Subject Taster Lectures
- Universities Fairs and Talks
- UCAS Application, Personal Statement, Admission Tests and Interview Workshops
- Mock Interviews
- UK Resources Guide (Online)

United States

The US is also a very popular destination for our students. The US adopts a more holistic approach, and students are suggested to start preparing their profile in junior forms.

Some of our work for US admissions include:

- Personal Statement, Supplementary Essay, and Application Strategy Workshops
- SAT / ACT Workshops
- Alumni Sharing Sessions
- Information Sessions from Admissions Officers
- US Resources Guide (Online)

School Tour with Yale Admissions Officer

Careers Team

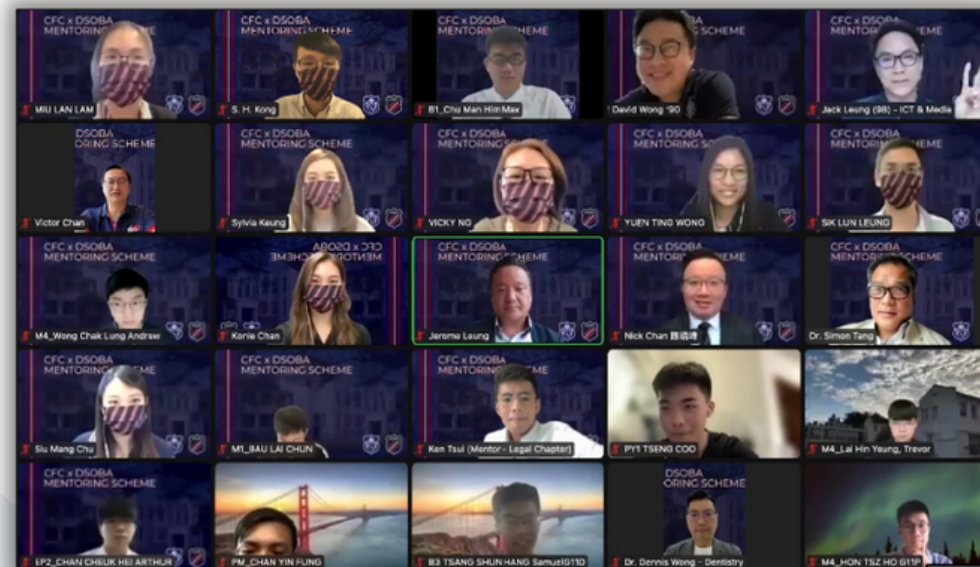

The Careers Team assists students in their process of career planning and in gaining industry insights and work experiences through the CFC x DSOBA Mentoring Scheme, Diocesan Apprenticeship Program, Diocesan Thematic Workshops, career visits and life planning workshops.

Visiting the Government Dockyard

CFC x DSOBA Mentorship Scheme

G11-G12 students are invited to join our Mentorship Scheme. In this scheme, each student will be paired up with one or more old boys who will act as their mentor(s) and provide valuable career advice to them in their respective fields. We hope this scheme can assist students in planning and executing strategies for achieving their further studies and career goals.

2021-22 CFC x DSOBA Mentoring Scheme

Job Attachments

G10-G12 students can join our internship and job shadowing opportunities provided by the Diocesan Apprenticeship Program and external organisations. These internships enable students to identify their abilities and academic / career interests. Job opportunities are available for students' reference on our website.

Hong Kong Facebook Office Tour

School - based Workshops

We organise life planning workshops to promote students' personal development from G7, including career-inclination tests, portfolio building, CV and etiquette workshops.

CFC Ambassadors

For students who are interested in joining us, check out the CFC Website for further details!
